

2024 Staff Flu Program

Starting 15 April 2024 - UHG Cafeteria

Help stop the spread of flu and keep your patients safe.

The Barwon South West Public Health Unit is offering staff vaccinations in the cafeteria at University Hospital Geelong. The program runs for eight weeks.

Bookings are essential for the first week of the program (15 - 19 April). After the first week, the program will be walk-ins only.

The team will also have a number of pop-up clinics at other Barwon Health sites. Scan the QR code below to book for the first week and to view the full timetable.

Visit One Point for more information.
